Hiring Manager

Talan

UAE

Dear Hiring Manager,

Dear Hiring Manager, With 20+ years leading enterprise-scale technology initiatives, I am excited to apply for the CTO Smart Metering position at Talan. My leadership experience spans digital transformation, strategic programme management, and technology innovation across complex stakeholder environments:

- Strategic Vision: Manage PMO function for digital transformation programs across regional hospitals - Lead
- Operational Excellence: Drive operational excellence initiatives resulting in 25% efficiency gains
- Technology Leadership: Lead AI automation initiatives across hospital operations, reducing processing time by 40% - Smart M...
- Team Building: Lead AI automation initiatives across hospital operations, reducing processing time by 40% - Smart M...

I am particularly drawn to Talan's focus on technology innovation and strategic growth. My background in Machine Learning, API Management, Healthcare IT positions me to contribute immediately and drive meaningful impact. I would welcome the opportunity to discuss how my experience can contribute to Talan's continued success. Thank you for considering my application. Sincerely, Ahmed Nasr PMO & AI Automation Leader

Thank you for considering my application. I look forward to discussing how my experience in strategic technology leadership can contribute to Talan's continued success.

Sincerely,

Ahmed Nasr
