

AHMED NASR

AI & Digital Transformation Leader | Enterprise AI Program Director | Technical Executive

Dubai, UAE | +971 50 281 4490 | ahmednasr999@gmail.com | linkedin.com/in/ahmednasr

EXECUTIVE SUMMARY

Technology executive with 20+ years driving AI-powered digital transformation across enterprise environments. Proven track record leading AI program delivery, building high-performing technical teams, and advising C-level executives on AI strategy and architectural roadmaps. Deep experience implementing AI-driven decision support systems, predictive analytics, and intelligent automation at scale. Combines hands-on technical background with executive-level communication and complex program leadership in healthcare, fintech, and consumer technology sectors.

AI & TECHNICAL LEADERSHIP

- **AI Program Ownership:** Led delivery of enterprise AI applications including clinical decision support systems, predictive modeling, and intelligent automation across multi-country operations
- **Strategic AI Advisory:** Advised C-level executives and board members on AI strategy, technology roadmaps, and governance frameworks
- **Team Leadership:** Built and led high-performing technical teams; experienced in recruitment, mentorship, performance management, and fostering technical excellence
- **Technical Architecture:** Defined architectural blueprints for AI-driven solutions, enterprise data warehouses, and scalable automation platforms
- **Business Impact:** Drove measurable outcomes — 40% efficiency gains through AI/automation, 3x profit growth through data-driven decision systems

TECHNICAL EXPERTISE

- **AI/ML Applications:** Clinical decision support systems, predictive analytics, intelligent automation, AI-driven process optimization
- **Data & Analytics:** Enterprise data warehouse architecture, Power BI, Tableau, SQL, business intelligence platforms
- **Automation & Integration:** Power Platform (Power Apps, Power Automate), REST APIs, workflow automation, system integration
- **Enterprise Systems:** SAP S/4HANA, ERP architecture, cloud-based solutions
- **Development Background:** .NET, C#, ASP.NET, web application development, Microsoft Certified Application Developer (MCAD)
- **Methodologies:** Agile/Scrum, MLOps principles, CI/CD awareness, model governance frameworks

PROFESSIONAL EXPERIENCE

Acting PMO Director & AI Transformation Lead

TopMed (Saudi German Hospital Group) | UAE, KSA, Egypt

June 2024 – Present

\$25M+ AI Transformation Portfolio | Multi-Country Delivery | Reports to Group CEO

- **AI Program Delivery:** Lead delivery of complex AI applications including clinical decision support systems and predictive modeling for healthcare outcomes optimization
- **Strategic AI Advisory:** Advise C-level executives on AI strategy, architectural roadmap, and governance frameworks for responsible AI deployment
- **Technical Architecture:** Define architectural blueprints for AI-driven solutions including enterprise data warehouse and intelligent automation platforms
- **Team Leadership:** Lead cross-functional teams of engineers and technical specialists; foster continuous learning and technical excellence
- **Business Impact:** Delivered 40% efficiency gains through AI-powered process automation; driving customer success and measurable healthcare outcomes
- **Executive Communication:** Present AI strategy, technical roadmaps, and program status to board members and executive stakeholders

Country Manager & VP Strategic Advisor

PaySky / El Araby Group | Egypt

2019 – 2022

FinTech & Consumer Electronics | Full P&L Ownership | Technical Strategy

- **Technical Vision:** Drove technical strategy and architectural decisions for enterprise transformation including SAP S/4HANA implementation
- **Team Building:** Recruited, mentored, and led technical teams; managed performance and career development for engineering staff
- **Enterprise Architecture:** Defined architectural blueprints for ERP systems, custom applications, and data integration platforms
- **Executive Advisory:** Advised board and C-level executives on technology investments, AI/automation opportunities, and digital roadmaps

Product Development Manager

Talabat (Delivery Hero SE) | Egypt

2017 – 2018

Consumer Tech Platform | 230x Scale Growth | Technical Product Leadership

- **Scalable Systems:** Led technical product development scaling from 30K to 7M daily orders — building systems for massive scale
- **Data-Driven Operations:** Implemented analytics and predictive systems supporting operational excellence during hypergrowth

- **Cross-Functional Technical Leadership:** Coordinated engineering, product, and operations teams across global organization

PMO Section Head

EMP (Network International) | Egypt

2014 – 2017

Banking Technology | 300+ Projects | Data Analytics Leadership

- **Analytics & BI Implementation:** Implemented data analytics platforms and executive dashboards driving 3x profit growth through data-driven decisions
- **Technical Team Leadership:** Built and led technical teams delivering banking technology solutions across African markets
- **System Architecture:** Designed technical architecture for project management systems and enterprise collaboration platforms

AI & AUTOMATION ACHIEVEMENTS

- **Clinical AI Systems:** Led implementation of AI-driven clinical decision support improving healthcare outcomes (TopMed)
- **Predictive Analytics:** Deployed predictive modeling for operational efficiency and resource optimization
- **Intelligent Automation:** Delivered 40% efficiency gains through Power Platform automation and AI-assisted workflows
- **Data-Driven Growth:** Implemented analytics systems contributing to 3x profit increase (Network International)

EDUCATION

MBA (In Progress) — Sadat Academy for Management Sciences | Expected 2026

BSc. Computer Sciences & Business Administration — Sadat Academy | 2006

CERTIFICATIONS

- Project Management Professional (PMP) — Project Management Institute
- Certified Business Analysis Professional (CBAP) — IIBA
- Microsoft Certified Application Developer (MCAD)
- Microsoft Certified Professional (MCP)
- Certified Scrum Master (CSM) — Scrum Alliance
